### About Toys for Tots

The **Marine Toys for Tots Foundation** (an IRS recognized 501(c)(3) not-for-profit public charity) is the fund raising, funding and support organization for the US Marine Corps Reserve Toys for Tots Program. The Foundation was created at the behest of the US Marine Corps and provides support in accordance with a Memorandum of Understanding with the Commander, Marine Forces Reserve, who directs the US Marine Corps Reserve Toys for Tots Program. The Foundation has supported Toys for Tots since 1991.

The **mission of the U.S. Marine Corps Reserve Toys for Tots Program** is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to needy children in the community in which the campaign is conducted. We do this by working with our local charities, Toys for Tots collects the toys and passes them on to the local charities we are working with for final distribution to individual families. In the past we've been humbled by the generosity shown in Lee County and because of our community, hope and faith has been provided to children in need.

**Support from our community (volunteers and contributors) has made our campaign successful year after year!**
