The Cape Coral Soccer Association is excited to announce we will be fielding a team to participate in the Women's Premier Soccer League (WPSL) this summer! The WPSL has teams throughout the country including teams in 19 of 20 largest metropolitan areas in the US. We at CCSA are excited to present this opportunity to the players from Southwest Florida to join this prestigious league that is the longest active women's soccer league in the United States, established in 1998. We are looking for sponsors to join us on this journey as we market Cape Coral to a national market. We will host our home games at the Tony McKenna stadium at Mariner High School. By obtaining sponsors we are able to help young amateurs compete in a highly competitive national league without paying out-of-pocket.
